

Resources Specifically on Organic/House/Simple Church

A ‘starter’ list of free books available at the link. (I haven’t read them all—yet.)

While there are some huge unbiblicalities in some of these books, each one that I’ve read makes some excellent points, some of which I’ll address in video format.

Some of the things that are unbiblical which show up frequently, include the following.

- **Institutional Church:** While pointing out what’s biblically wrong with the institutional church, they tend to applaud it (generally speaking). The only good fruit coming out of that system is due to God’s grace, not because the system is OK. Those who remain in that system longer than a year (more than enough time to have been enlightened by the Lord) have either turned a blind eye to the truth or are eager to leave but remain *only* out of obedience to Christ (as He had our family do). However, considering *why* God had our family do it, as revealed in the series of books God has had me write, it’s not likely that many are in *that* boat.
- **The Spiritual War:** They ignore the spiritual war we’re in ([Eph. 6:12](#)). Yes, Jesus already won the victory, but we (who are alive) *are* in a battle of the mind ([Rom. 7:25](#)).
- **Repentance:** They ignore our desperate need for it ([Jer. 18:7-10](#)). They ignore clear biblical teaching. We are to hold up the line on God’s WORD, not compromise it. God says, “Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you” ([2 Cor. 6:17](#)).
- **God’s Sovereignty:** They deny that God has clearly stated, “I make peace, and create evil” ([Isa. 45:7](#)), giving man more credit than we deserve.
- **Election/Predestination:** They ignore God’s sovereign election ([Rom. 9:22-23](#)).
